

TC-F6H Textile Clip Female - Heavy Duty

SPECIFICATIONS:

Designed for textiles and soft furnishings, the TC-F6H sews onto upholstery for a heavy-duty fixing to interior and exterior surfaces. The transparent slide-lock mechanism ensures the strongest hold to the male clip and easy cushion removal without force. Slider can be replaced in-situ without removing saddle in the event of damage.

TC-F6H

- Sun loungers

TEXTILE CLIPS TC RANGE

BENEFITS

- TC-F6H sews onto cushion at upholstery construction stage
- Enables heavy-duty attachment of soft furnishings to painted or gel coat surfaces
- Enables secure attachment of cushions to fabric when used with TC-SM6S
- Slide lock mechanism makes soft furnishings quick to install and easy to remove
- High quality, secure finish
- Heavy duty break out load of 26kg with TC-M6 & TC-SM6S or 32kg with TC-SM6
- No force required to release lock. Pull tab towards edge of the cushion to unlock and remove
- Hidden fixing – no visible domes, screws, straps or hook and loop tape. Low visibility transparent lock tab when exposed
- Sliding lock can be replaced without unstitching saddle in the event of damage
- No removal tool required
